How to Check your Company Leaderboard

1. Select the Company Leader board from your Home Screen by tapping View Leaderboard.
2. The Company Leader board shows you the people in your company over the last 7 or 30 days depending on what tab you have selected. You will also be shown your own ranking in relation to the company leaders.
3. The Company Leader board is calculated based on the sum of steps recorded in the last 7 or 30 days.
